CURRENT SITUATION

(Recent updates are posted at the top of Current Situation)

The City of Riverside Fire Department responded a single engine company to investigate an unknown fire adjacent to 1435 University Ave. The first arriving engine company discovered smoke coming from the rear of a vacant motel complex at 1393 University Ave, the Farm House Motel. The first arriving engine company upgraded the incident to a full structure fire response. To the rear of the complex was a three unit 300 square foot building with smoke coming from the eaves. An interior fire attack was initiated and a room and content fire was discovered. The fire was extinguished and contained. The building was secured with the doors being boarded up prior to our arrival. However, someone had forced entry into the structure from the rear and set-up a living quarters with bedding, furniture and food. There were no occupants or witnesses on scene. There were no firefighter injuries. The damage to the building was \$15,000 with a content loss of \$500. The fire cause is unknown and undetermined after an investigation. An after hour contractor responded out to secure the property.
